Forecast for Monday 03 May 2021

Weather: After a dry start to the night, heavy showers will arrive in the early hours. This will turn to heavy and persistent rain in the morning with gales. The heavy rain will last into the afternoon, eventually clearing to blustery showers during the evening, however it will stay windy.

Chance of cloud free mountain/hill tops above 600m: Generally 100%, but 80% during showers. 10% during heavy rain.

Visibility: Good visibility at first. Poor during heavy rain as cloud bases deteriorate to 400-500m. Visibility becoming good after rain clears and cloud bases lift.
